So what's the plan,
another bore fest.
Will we all lie and say it was the best,
Cuz everyone's got their how-to book
telling them just how to look the same,
the same, the same.

Well girls and boys,
welcome to your teenage nightmare.
Make some noise
and maybe maybe we can get out of here.

I'm so sick and tired
of looking just like everyone,
who is sick and tired of looking just like me.
And I don't care what you think,
and this time I really mean it,
cuz what you think I think you know
isn't even what you think.

Well girls and boys,
welcome to your teenage nightmare.
Make some noise
and maybe maybe we can get out of here.
Cuz nothin's gonna last forever.
Nothin's gonna last forever.
Nothin's gonna last forever.
Nothin's gonna last forever.

I'm not tellin' you how to act.
I'm just saying it's how you act like you
like you like you.

Welcome to your teenage nightmare.
Welcome to your teenage nightmare.

Well girls and boys,
welcome to your teenage nightmare.
Make some noise
and maybe someday we will get out of here.

Cuz nothin's gonna last forever.

Nothin's gonna last forever.
Nothin's gonna last forever.
Well this ain't gonna last forever.
