Emo kid
Go cut yourself in the wrist
Use a razorblade
I bet you've never been kissed by death!

EMO KID
EMO KID
EMO KID
I bet you've never been kissed by death

Emo kid
Standing on the edge of a cliff
Want to jump right out
Afraid no one's gonna hear you shout

EMO KID
EMO KID
EMO KID
(I bet you've never been kissed by death)
(Don't be afraid little emo)
