They told him don't you ever come around here
Don't wanna see your face, you better disappear
The fire's in their eyes and their words are really clear
So beat it, just beat it
You better run, you better do what you can
Don't wanna see no blood, don't be a macho man (Uh)
You wanna be tough, better do what you can
So beat it, but you wanna be bad
Just beat it, (beat it), beat it, (beat it)
No one wants to be defeated
Showin' how funky strong it's your fight
It doesn't matter who's wrong or right
Just beat it, beat it
They're out to get you, better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive, better do what you can
So beat it, just beat it (Uh)
You have to show them that you're really not scared
(Uuh)
You're playin' with your life, this ain't no truth or dare
(Uh!)
They'll kick you, then they beat you,
Then they'll tell you it's fair
So beat it, but you wanna be bad
Just beat it, (beat it), beat it, (beat it)
No one wants to be defeated
Showin' how funky strong it's your fight
It doesn't matter who's wrong or right(2x)
