*[Every Rose Has Its Thorn (Originally by Poison)]*

We both lie silently still in the dead of the night  
Although we both lie close together  
We feel miles apart inside  
Was it somethin' I said or somethin' I did  
Did my words not come out right  
Tho' I tried not to hurt you  
Tho' I tried  
But I guess that's why they say

Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings a sad, sad song  
Every rose has its thorn

Yea it does

I listen to your favorite song playin' on the radio  
Hear the DJ say love's a game of  
Easy come and easy go  
But I wonder does he know  
Has it ever felt like this  
And I know that you'd be here right now  
If I could have let you know somehow I guess  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings a sad, sad song  
Every rose has its thorn

Though it's been a while now  
I can still feel so much pain  
Like the knife that cuts you  
The wound heals, but the scar, that scar remains

I know I could have saved our love that night  
If I'd known what to say  
Instead of making love  
We both made our separate ways

Now I hear you've found somebody new  
And that I never meant that much to you

To hear that tears me up inside  
And to see you cuts me like a knife, I guess

Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings a sad, sad song  
Every rose has its thorn
