Over The Eggshells  
From the album Pay Attention

I'm over the eggshells I've been walking on  
My eggshell walking days are done  
I don't give a fuck about the apple cart  
I'll upset everyone  
Don't tell me on what or where to walk my friend  
You once did, but those days are gone  
I'm so over the eggshells  
The ones that I've been walking on  
Walking on, I'm waking up  
Waking up, I'm walking out  
Waking up and walking out on you!  
You're under the assumption I'll be moving on  
Assuming it's the next move that I'll make  
You've figured out I'm heading out  
Now we're both wide awake  
So rise and shine former friend of mine  
Did you ever think this day would dawn  
You can trust your assumptions  
Damn right I'm moving on

Moving on, I'm waking up  
Waking up, I'm walking out  
Waking up and walking out on you  
Walking on, I'm waking up  
Waking up, I'm walking out  
Waking up and walking out on you!  
I'm over the eggshells  
I've been walking on  
My eggshell walking days are gone  
I'm so over the eggshells  
The ones that I've been walking on  
Walking on, I'm waking up  
Waking up, I'm walking out  
Waking up and walking out on you  
Walking on, I'm waking up  
Waking up, I'm walking out  
Waking up and walking out on you!  
Walking on Waking up
