Natty Dread will never run away, no no no,  
Natty Dread will never run away.  
Marcus Garvey prophesy say, Oh yeah  
Man a go find him back against the wall, yeah.  
It a go bitter.  
When the right time comes, Lord, some a go charge fe  
Treason.  
When the right time come, yeah some a go charge fe  
arson.  
When the right time come, Lord, some a go charge fe  
Murder.  
When the law man come, some a go run till dem  
Tumble down.  
When the Parson come, him a go quote de scripture.  
Swallow field a go be in a, the battlefield, Yeah Yeah.  
Natty Dread will never run away, no no no.  
Natty Dread will never run away, no my brethren.  
Dis ya a prophecy, hold dem Marcus. Dis ya a

Hold dem Marcus.  
Swallow field a go be in a de battlefield. Yeah yeah  
Natty Dread will never run away, no no no,  
Natty Dread will never run away, no my brethren.  
Dis ya a prophecy, dis ya prophecy.  
When the right time come, Lord, some a go charge fe  
Treason,  
When the right time come, some a go charge fe arson.  
When the right time come, Lord, some a go fe murder.  
When the law man come, some a go run till dem
