Iâ€™ve changed my world
When you were away, Iâ€™m waitingâ€¦
That is my truthâ€¦ without you
That is my escape

I close my eyes
You disappeared behind the doors of my heart
I canâ€™t listen to your lies
I donâ€™t hear your bitter words

I canâ€™t look in back
I search for my love
I search for my luck
I canâ€™t be taken care of

I close my eyes
You disappeared behind the doors of my heart
I canâ€™t listen to your lies
I donâ€™t hear your bitter words
I close my eyes
You disappeared behind the doors of my heart
I canâ€™t listen to your lies
I donâ€™t hear your bitter words

This time has been lost
Never were together,
And never will beâ€¦
Now you suffer the most

You light my fire when I fall
You light my fire when I fall
You light my fire when I fall
You light my fire when I fall

I close my eyes
You disappeared behind the doors of my heart
I canâ€™t listen to your lies
I donâ€™t hear your bitter words
I close my eyes
You disappeared behind the doors of my heart
I canâ€™t listen to your lies
I donâ€™t hear your bitter words
