What can I do when I have no more power  
to find the faith by sorrow devoured.  
What can I say when hopes slowly fade  
to again light the fire that got lost on the way.

How much more can I take?  
What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?  
How much more can I take?  
What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?

What can I do, which way to go  
to save myself, the last good thought.  
What can I say when Iâ€™m out of breath,  
unable to find the key to cheat death.

How much more can I take?  
What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?  
How much more can I take?

What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?

What can I do when time runs like itâ€™s insane,  
when old wounds are washed with acid again.  
What can I say when the mocking worldâ€™s power  
tears my heart into pieces like a fragile flower.  
What can I do when I have no more power  
to find the faith by sorrow devoured.  
What can I say when hopes slowly fade  
to again light the fire that got lost on the way.

How much more can I take?  
What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?  
How much more can I take?  
What will come with the new day?  
How much defeat, how many tears?  
You need to cut all the thorns that pierce.  
How many tears?
