Shed a tear 'cause I'm missin' you
I'm still alright to smile
Girl, I think about you every day now
Was a time when I wasn't sure
But you set my mind at ease
There is no doubt
You're in my heart now

Said, woman, take it slow
It'll work itself out fine
All we need is just a little patience
Said, sugar, make it slow
And we come together fine
All we need is just a little patience
(patience)
Mm, yeah

I sit here on the stairs
'Cause I'd rather be alone
If I can't have you right now
I'll wait, dear
Sometimes I get so tense
But I can't speed up the time
But you know, love
There's one more thing to consider

Said, woman, take it slow
And things will be just fine

You and I'll just use a little patience
Said, sugar, take the time
'Cause the lights are shining bright
You and I've got what it takes
To make it, We won't fake it,
I'll never break it
'cause I can't take it

a little patience, mm yeah, yeah
need a little patience, yeah
just a little patience, yeah

I been walkin' the streets at night

Just tryin' to get it right
Hard to see with so many around
You know I don't like
Being stuck in the crowd
And the streets don't change
But baby the name
I ain't got time for the game
Cause I need you
Yeah well I need you
Oo, I need you
Yeah, I need you
Oo, all this tiiiiiiime
