all the things she said
all the things she said
running through my head (2)
this is not enough

Im in serious shit
i feel totally lost
if im asking for help
its only because
being with you
has opened my eyes
could i ever believe
such a perfect surprise?
i keep asking myself
wondering how
i keep closing my eyes
but i can't block you out
wanna fly to a place
where is just you and me
nobody else so we can be free

all the things she said
all teh things she said
running through my head(2)
this is not enough

and im all mixed up
feeling cornered and rushed
they say its my fault
but i want to her so much
wanna fly her away
where the sun and rain
come in over my face
wash away all the shame
when they stop and stare
don't worry me
'cause im feeling for her
what she's feeling for me
i can't try to pretend
i can't try to forget
but its driving me mad

going out my head

all the things she said
all the things she said
running through my head (2)
this is not enough

Mother looking at me
tell me what do you see ?
yes i've lost my mind
Daddy looking at me
will i ever be free?
have i crossed the line ?

all the things she said
all the things she said
running through my head (2)
tis is not enough.
