Just a small town girl on a Saturday night, looking for
the fight of her life
In the real time world no one sees her at all, they all say
she's crazy
Locking rhythm to the beat of her heart
Changing movement into light, she had danced into
the danger zone
When the dancer becomes the dance

It can cut you like a knife if the fight becomes the fire
On the wire between will and what will be

She's a maniac, maniac on the floor
And she's dancing like she's never danced before
She's a maniac, maniac on the floor
And she's dancing like she's never danced before

On the ice blue line of insanity is a place most never
see
It's a hard won place of mystery, touch it but can't
hold it
You work all your life, for that moment in time
It could come or pass you by it's a push shove world
But there's always a chance if the hunger stays the
night

There's a cold kinetic heat
Struggling stretching for the peak
Never stopping with her head against the wind.

She's a maniac, maniac (I sure know)
And she's dancing like she's never danced before
She's a maniac, maniac (I sure know)
And she's dancing like she's never danced before

It can cut you like a knife if the fight becomes the fire
On the wire between will and what will be

She's a maniac, maniac (I sure know)
And she's dancing like she's never danced before
She's a maniac, maniac (I sure know)

And she's dancing like she's never danced before
Maniac, maniac (I sure know)
