Verse

Alive

Just an ordinary girl
Tryin to make it in this world
What's my purpose here

Why is so unclear
Why have you put me here
Why am I still in fear

Bridge

And when I start to scream
Surrounded in my fear
Will you still be there

And when I start to cry
Can't figure out the why
You are here inside me
I'm alive

Chorus

Am I all alone
Here inside my head
Where will I find you

Shiver from the cold
Darkness closing in
Here will I find you

Verse

Just livin for today
I know no other way
I lost the light inside me

Feelin so insane
Wonderin why you came
I am so unworthy

Breakdown

And when I search for you
I know you'll be there
And when I yearn for you

You'll be there
You she'd your blood for me
And now I see the light
You are here inside me
I'm alive
