Your love is fadin I feel it fade

Ah, your love is fadin I feel it fade

Ah, your love is fadin Woman I feel it fade

Ah, woman, woman your touch, your touch has gone cold

As if someone else controls your very soul

I've fooled myself long as I can

Can feel the presence of another man

It's there when you speak my name

It's just not the same

Ooh babe, I'm losing you

It's in the air

It's there everywhere

Baby, baby, babe, I'm Losing you

When I look into your eyes

A reflection of a face, I see

I'm hurt, down-hearted and worried, girl

Cause that face doesn't belong to me

It's all over your face

Someones takin my place

Ooo baby, I'm losing you

You try hard to hide

The emptiness you feel inside

Oo babe, I'm losing you

I can't bear the thought of losing you

Ah woman, can't you see what I'm goin through

I'm losin my mind

And it's all because of you

I can't bear the thought of losing you

I'm losin my mind

And it's all because of you

I can't stand the thought of losing you.
