Let me tell you about this guy that I used to know  
Knew all the lyrics to all the pop songs  
McFly and Busted  
Jonas Brothers on his radio  
Denies the fact he was singing along

It's too late if they know  
Please tell your friends you used to like our songs

A traitor, a faker  
I know there's something wrong  
He's so changed now  
Grew his hair out  
Being fake is just not cool at all

It's a shame he's not the same  
With his friends around  
All the other guys would laugh at him  
And all the things he used to love used to talk about  
Says he hates and that it makes him sick

It's too late if they know  
Please tell your friends you used to like our songs

A traitor, a faker  
I know there's something wrong  
He's so changed now  
Grew his hair out  
Being fake is just not cool at all

And if I see you again  
If know I won't recognize you  
Be sure and tell your friends  
This songs about a guy who's...

A traitor, a faker  
I know there's something wrong  
He's so changed now  
Grew his hair out  
Being fake is just not cool at all

A traitor, a faker

I know there's something wrong  
He's so changed now  
Grew his hair out  
Being fake is just not cool

Cool at all
