[CD]

Nowadays you can't even get your foot in the door  
Of the record industry unless you're a whore  
15 year old loose lesbian quarter dressed  
They're meant to sell us music, not just sleazy sex  
But all that matters these days is the mother-fucking  
money  
Entertainment's lost it's buzz now they've sold all the  
honey  
And what's funny is the honey is starting to be a bore  
Sick of silicon filled whores, on the leaflets through my  
door

These fake-ass stars ain't happy just doing music  
Give them celebrity status, and watch them abuse it  
It seems the last thing on these gold-diggers mind's  
Are the melodies, or the beats or the quality of the  
rhymes  
If I was their teacher I'd make them do a million lines  
"Commercializing music is just a fucking crime"  
A waste of time  
And we know it's time  
If they looked for talent entertainment would be just  
fine

[CD & Jed]

(Chorus:)

Nah, nah-nah, nah-nah  
Nah nah naah, nah-nah, nah-nah,  
Nah nah nah

[Jed]

I just can't understand these silly little bitches  
Having implants and then posing for pictures  
Not me! I don't want people staring at my tits  
All I wanna do is make lots-a-hits - SINGLES!  
Move over bitch, make way for this chick  
Who doesn't have to suck no corporate dick  
I'm slick, and hip and I ain't gonna trip  
I get respect cos if I don't - I'll flipÂ...

Â...Out on ya ass, and show you that it's true

I don't need magazines to tell me what to do  
And you won't see me in one showing off my skin  
Telling every girl that she has to be thin  
Watch your weight, don't be late, Double-date, don't  
hate,  
Cheesy horoscopes might determine your fate  
Bullshit, we're all individual people out there  
Besides how many guys even notice your hair??

[CD & Jed]  
(Naah naah Chorus)

[CD]  
Money buys the honey, 'cause the honey's want the  
money,  
But now it's just not funny, when all that's left is honey,  
But the honey makes the money, 'cause the money's  
buying honey,  
Entertainments watered down this way and now it's  
fucking runny

[Jed]  
Watered down to fuck and it's flowing like a river  
It's sticky and it's cold and it makes me sort of shiver  
Music should be down-to-earth, I don't know what's the  
deal  
We're not all fucking barbies so we gotta keep it real

[CD & Jed]  
(Final chorus:)  
Keep it real, real, real  
Keep it real, keep it real, keep it real, it real  
Keep it real (x2)
