"Comin' Back"

I know that I don't understand
The way my feeling's roam
I've got to look outside again
And wonder where I've gone
I looked into someone's eye's again
And it's been lost..so long
I never wanted to talk again
I tried to silence you

You keep coming back again
You keep coming back for more

And then you come back and haunt my mind
You try to make me look good
You know I just don't have the time
I never, ever understood

You keep coming back again
You keep coming back for more
You keep coming back again
You keep coming back for more

You keep coming back again
You keep coming back for more
You keep coming back again
You keep coming back for more
