Turn around...

Every now and then I get a little bit lonely,

and you're never coming round...

Turn around...

Every now and then I get a little bit tired,

of listening to the sound of my tears...

Turn around...

Every now and then I get a little bit nervous,

that the best of all the years have gone by...

Turn around...

Every now and then I get a little bit terrified,

and then I see the look in your eyes...

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

Turn around...

Every now and then I get a little bit breathless,

and I dream of something wild...

Turn around...

Every now and then I get a little bit helpless,

and I'm lying like a child in your arms...

Turn around...

Every now and then I get a little bit angry,

and I know i've got to get out AND CRY

Turn around...

Every now and then I get a little bit terrified,

but then I see the look in your eyes...

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight,

And I need you more than ever,

And if you only hold me tight

We'll be holding on forever,

And we'll only be making it right,

'Cause we'll never be wrong...

Together we can take it to the end of the line

Your love is like a shadow on me all of the time...

I don't know what to do and

I'm always in the dark

We're living in a powder keg

And giving off sparks!!!

I really need you tonight!!

Forever's gonna to start tonight

Forever's gonna to start tonight

Once upon a time I was falling in love

But now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

Once upon a time there was light in my life

But now there's only love in the dark

Nothing I can say

A total eclipse of the heart

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

Turn around...

Every now and then I know you'll never be,

the boy you always wanted to be...

Turn around...

Every now and then I know you'll always be,

the only boy who wanted me the way that I am...

Turn around...

Every now and then I know there's no-one on the
universe,

who's magical and warm as he is...

Turn around...

Every now and then I know there's nothing any better,

there's nothing that I just wouldn't do...

Turn around, bright eyes
Every now and then I fall apart
Turn around, bright eyes
Every now and then I fall apart
And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do
I'm always in the dark
We're living in a powder keg
And giving off sparks
I really need you tonight!
Forever's gonna to start tonight
Forever's gonna to start tonight
Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say

A total eclipse of the heart

A total eclipse of the heart

A total eclipse of the heart

..Turn around bright eyes

..Turn around bright eyes, turn around..
