Now it seems I'm all along
Sailing far away from home
Out on the ocean

On a wave against the tide
You placed Your hands in mine
So I could see

On this beautiful night,
On this beautiful night,
On this beautiful night.

Looking up into the sky
The tears fall from my eyes
Out on the ocean

Like a fire in the dark
You broke my world apart
So I could see

On this beautiful night,
On this beautiful night
Ohhh, On this beautiful night.

Ohhhh, Ohhhh, Ooooh oh oh, Ohhhh
Ohhh oh oh oh, Ohhhh ohohoh.

On this beautiful night
In your beautiful eye
I can see, I can see

On this beautiful night
In your beautiful eye
I can see, I can see

Fall on my face
Into Your arms
Now I am lost here with You

Hold out my hand, open my heart
Now I am lost here with You
