You see them coming, the queen of hearts and the king of fools, Me and Innocence, just playing cards by the swimming pool. They pull me out of an empty place, left me all alone I wanna touch you. Think I'm movin' on back to Kansas And I thought that savin' you would save me. When she comes to me and takes my hand When pain is all I know She gives me heaven with thrills, 90210. Lookin' at you as the sun was risin', Nothin' to do just-a-watch at the man upon the moon Look into his eyes and the sad blue glow, and it ain't surprisin', no, To see a blind man lookin' twice before he crosses the road, yeah Califor-ni-a, don't fall into the sea on me The sun still shines in L.A. when you're gone. When she comes to me and takes my hand When pain is all I know And gives me heaven with thrills, 90210 Just gives me heaven with thrills, 90210 She gives me heaven with thrills.
