You said you wanted something
Well I give no promises
Is that what you wanted?
You gave me half a chance
And half your body
I had to take it
It's a doll-faced polaroid
I'm gonna hang it on my wall
And call it POLAROID DOLL
I wanted a polaroid
Now you just wanna talk about it
Like I got something to say
Well don't worry mama -
I'm not about to give it away
It's a doll-faced polaroid
I'm gonna hang it on my wall
And call it POLAROID DOLL
You wanted a polaroid
You wanna stick around
Baby I don't care
If you gonna take a ride
To my dead-end heart
Don't ever take my kissin'
For a handshake
