You gave me sweet things and flowers
You gave me a sky so blue
You gave me a rock to lean on
And I gave myself to you

We wander through each other's secrets
We traded an honored word
We shared a solemn promise
But like the raven's cry, it must be heard

Please don't take away your love dear
One mistake is not a crime
Let's start again, my love is yours dear
Your love is mine
One more time, one more time

You tell me a cold wind's a'comin'
A chill that turns a heart to stone
And your eyes say, it's time to move on
Down a road you'd rather walk alone

Now pride is a raging river
You could fell the tallest tree
When some need the wings of forgiveness
And tame the stormy sea

Please don't take away your love dear
One mistake is not a crime
Let's start again, my love is yours dear
Your love is mine
One more time, one more time

You say that nothing is forever
Like the tide that comes in but doesn't stay
But our journey has taken up our lifetime
And what you give, you just can't take away

I can't take away my love dear
One mistake is not a crime
Let's start again, my love is yours dear

Your love is mine

One more time
