Just because of us I feel like I'm dyin'
So I'm beggin' you wantin' you, callin' you

Jay:

I never believed our love would die,
Just it's funny how time just passed us by
I couldn't imagine you'd walk out my life
Because

Chris:

And all of the girls that I once knew,
They all disappeared when I met you
Of You're all that I ever wanted in my life

Just because of you, I'm cryin in sadness
Give it one more try, and I'll do the same
