It's our time to shine through the down
Glorified by what is ours
We've fallen in love
It was the best idea I ever had

[Chorus x3]
Today I fell and felt better
Just knowing this matters
I just feel stronger and sharper
Found a box of sharp objects what a beautiful thing

Do you want a song of glory
Well I'm fucking screaming at you

It's our time to shine through the down
Glorified by what is ours
We've fallen in love
It was the best idea I ever had

[Chorus x2]

Box of sharp objects what a beautiful thing [x2]
