(screaming)

Liar, liar, pants on fire

And the pills go down and get you higher baby

Bottles burning, mother fucker

And the mother hates him like the daughter

Lonely god and maker gripping tighter saying

You will burn in hell they say,

You will burn in hell!

Liar! Liar! Pants on fire

Liar! Liar! Stop yourself from catching fire fire

God and maker, liar! liar! pants on fire

Liar! Liar! house of fire

And the grass taste's nasty, chew it better

I bet your tummy hurts you, you mother fucker

Mother never loved you,

Father touched you with the hand of god

He's gripping tighter, saying

You will burn in hell they say,

You will burn in hell!

Liar! Liar! Pants on fire

Liar! Liar! Stop yourself from catching fire fire

God and maker, liar! liar! You fucking liar!

(screaming): You're gonna burn in hell (x2)

You will burn in hell they say,

You will burn in hell!

(screaming): You fucking liar!

Liar! Liar! Pants on fire

Liar! Liar! Stop yourself from catching fire fire

God and maker, liar! liar! You fucking liar! (x2)

You fucking liar! (liar! liar!)

Liar, liar, pants on fire!

Hanging from a telephone wire!
