Lifes greatest questions have always been;; Who am I?
Where did I come from? Why am I here? Where am I
going?

You are about to see, and hear, one of the most
significant messages given to us from god.

****door creaks open****

****Gun loads****

GET DOWN!

Woo!

GET DOWN!

I'm lying to myself
And this dagger's my excuse
I'm a pawn
I should have paid up
And I left an hour late
I was laid off

I must abuse myself
I'm against all that I've made up
Set in stone the sun will come
And I hate light
You know I hate light

To! Me! It! Looks! So! Pretty burning!

Burn the sun
Burn the light
Take take take take take take it away.
Take my hand
Take my life
Take take take take take take it away.

I must have caught something
In the heat of all these dances
In a world with no more chances
And I've lost all doubt
In a chemical romance

I can't stop itching
At the thoughts of tarnished hope

Got a funny
Lonely feeling
I'm not in love
You know it's not love

To! Me! It! Looks! So! Pretty burning!

Burn the sun,
Burn the light
Take take take take take take it away.
Take my hand
Take my life
Take take take take take take it away.

Burn the sun
Burn the light
Take take take take take take it away.
Take my hand
Take my life
Take take take take take take it away.

Brothers and sisters
I'm right here with you!
Cause everyone's got one,
I story to kill me
I'm so apathetic in my resentment
Living, loving, knowing not!

Take my hand
Take my hand
Take my hand
Take my hand

Take my hand
Take my hand
Take my hand
Take my hand

Take my...life

Take my heart
Take my mind
Take my life
Take my... life!

Burn the sun
Burn the light
Take take take take take take it away.
Take my hand
Take my life
Take take take take take take it away.

Burn the sun,
Burn the light
Take take take take take it away.
Take my hand
Take my life
Take my life
Take my life!
