He breaks me down
He builds me up
He fills my cup
I like it rough

We fuss, we brawl
We rise, we fall
He comes in vain
But its okay

We do, I do
He knows the rules
He takes care of home (Hey, yeah)
Though hes not alone

Im on his knee
He keeps me clean
And gives me things
He makes me scream, yeah...

Hes so contagious
He turns my pages (Mmm...)
Hes got me anxious (Oh...)
Hes what Ive waited for

He keeps me guessin (Oh...)
Spontaneous
Hes so persuasive
And Im his lady (Oh...oh...)

Tonight is waitin (Tonight is waitin)
And I aint complainin (And I aint complainin)
Im entertainin (Im entertainin)
My number one thing and (My number one)

My back is achin (My back is achin)
From all love makin (From all love makin)
Oh, yes, Im taken
Aint no use in fakin (Oh)

My ups, my downs

My high and my lows
From head to toe
He makes me blow

He hits the spot
He makes me hot
Im all that hes got
And hes all that Ive got

Hes so contagious
He turns my pages
Hes got me anxious
Hes what Ive waited for

He keeps me guessin (He keeps me guessin)
Spontaneous (Spontaneous)
Hes so persuasive (So persuasive)
And Im his lady

Thinkin of a master plan
You know anything you need, baby, ask your man
You was there from a half a gram
Now its kilos to C notes, and high fashion brass
He ball like we own the world
The only concern is you my only girl
And when we sneak into chokes, breathin hard when Im
squeezin you long
Keep it strong, but I gotta hit the streets when Im done
Its joy and pain when you try and get ahead of the
game
Its fucked up, but you never complain
You just pray I dont killed when I hit the hood
Just another hundred mil and Imma quit for good
No more drug wars, trips to jail and shoot outs
To gettin loot out for boys in bail, theyll get you boot
out
Just me and you, hour of sex and twisted
You O.G. to D.O.D. addicted

Hes so contagious
He turns my pages
Hes got me anxious
Hes what Ive waited for

He keeps me guessin
Spontaneous
Hes so persuasive (So persuasive)
And Im his lady (And Im his lady)

Hes so contagious
He turns my pages

Hes got me anxious
Hes what Ive waited for

He keeps me guessin
Spontaneous Hes so persuasive And Im his lady The
