Woahhh I  
Probably shouldve let her know .. that  
It wasn't that serious for me from the jump  
But I wanna hit it in the worst way.. I suppose ooohhhh

She?. probably woulda let me go.. if  
She ever found out my M.O ? was to hit it and quit it and  
let it go  
But I still wanna hit it in the worst way possible  
Nooo

(Hook)  
But I cant let her know till I get me mine (Cant let her go  
till I get me mine)  
At the time  
I fell in love, man she couldnt be more beautiful  
At the time  
Kissing and hugging what more could I ask for  
But at time  
See I got mine and she got hers then it was over  
In the mean time In between time  
I didn't wanna let her know that

(Chorus)

I flipped it on the game (2 times)  
Im puttin it on

I didn't know what to do  
Cuz the because the emotional part was through and  
over with  
Cuz man I hit it in the worst way possible..ooohhh  
She didn't wanna let me catch my breath ..No  
She started rubbing the back of my neck  
You made me wanna hit it in the worst way once  
again  
Oooooohhh

(Hook)

(Bridge)  
Playing hard to get baby you were funny.. funny

But my heart was feeling a lil something  
See at the time it was true I was soo in love witchu  
Till I got me me mine  
But I couldn't let you know
