Umm why? Umm why?
Umm why?

Living on the edge out of control
And the world just won't let me slow down
But in my biggest picture, was a photo of you and me
Girl you know I tired, our content provide all the
material things
That I thought, would make you happy
I'm confused, can you make me understand?
'Cause I tried to give you the best of me
I thought we were cool, maybe I was part
But never took time to see

Will you help me?
Tell me what you want from me
(Ah ah ah ah)
Can you help me?
Tell me why you want to leave?
(Please don't go away)
Baby help me
Without you my whole world is fallin' apart, and I'm
goin' crazy
Life's a prison when you're in love alone
(Oh girl, I love you)
I need you come back home
(You know I need you)
I don't want to be alone, uhh

Girl I put your love up on the shelf
And I guess I just left her to die
Knowin' that together, 'cause I hurt you too many times
And now you're not around
I wish for every moment of time
That I wasted, we used it to make sweet love
Baby be my guide please take my hand
Would you to know that I've got you?
If you need it, I don't wanna be on the outside lookin' in
I gotta have you girl, can't you see it?

Will you help me?
(Will you help me?)

Tell me what you want from me
(Ah ah ah ah)
Can you help me?
Tell me why you want to leave?
(Please don't go away)
Baby help me
'Cause without you my whole world is fallin' apart
And without you, I think I'll go crazy
Life's a prison when you're in love alone
(Oh girl, I love you)
I need you come back home
(You know I need you)
I don't wanna be alone
(Beg you to be, listen to me)
Oh

(Please please stay don't don't go, I don't wanna stay
alone)
To give me another chance, I wanna be your man
Girl, you got me, down here on my knees
Cryin', beggin', pleadin'
I'll do anything, for your love, whoa

Would you help me?
(Help me, ohh)
(Tell me what you want from me)
Help me
(Can you help me?)
Yeah
I don't understand
Girl I'm just a man
Can you help me?
Without you my whole world is fallin' apart
And without you girl I'm going crazy, life's a prison
without your love

Can you help me?
Tell me why, why, why, why, why, why
(Why, why, why, why)
Can you help me?
(Why)
Girl I'm here this time, because you're all I got
(This time, don't go)
Can you help me?
(Hey)
Help me understand, why I can't be your man?
(Whoa)
It's drivin' me crazy
(Crazy, crazy, crazy)
Oh baby, oh ho no no

Oh girl I love ya
(Said I love you)
You know I need ya
(Ohh, I need)
Can't live without ya, understand
(I can't go on a day without ya)
Oh girl I love ya
(Ohh, come I need you)
You know I need ya
(Ohh no no)
Can't live without ya
(Wanna have you)
Oh girl I love ya
(Na na na na na na)
You know I need ya
(Na na na na na na)
Can't live without ya
(Na na na na na na)
Oh girl I love ya
(If you are, you can help, sing along)
You know I need ya
Can't live without ya, eh eh
(Yeah baby)
(Hey baby baby)
