Living on the edge, out of control,  
and the world just wont let me slow down,  
But in my biggest picture, was a photo of you and me.  
Girl you know I tried, I work hard to provide all that  
material things  
that I thought would make you happy.  
I'm confused can you make me understand,  
cuz i try to give u the best of me,  
I thought we were cool, maybe i was blind,  
but never took time to see.

Can u help me?  
tell me what you want from me.  
Can you help me?  
Tell me why you wanna leave.  
Baby help me,  
Without you my whole world is falling apart and i'm  
going crazy,  
life's a prison when your in love alone.

Ohhh girl I love you,  
I i need u to come back home,  
you know, I dont wanna be alone

ohhhhh iiiiii

Girl i put your love up on a shelf,  
and i guess i just left it to die,  
and now we're not together cuz,

i hurt you too many times,  
and now your not around,  
i wish for every moment of time  
that got wasted we used it to make sweet love,  
baby be my guide, please take my hand, want you to  
know  
that i got ya if you need it,  
dont wanna be on the outside, lookin in,  
i gotta have you girl cant you see...

Can you help me?  
tell me what you want from me

Can you help me?  
tell me why you wanna leave,  
baby help me, cuz without you my whole world is falling  
apart,  
and with out you I think Ill go crazy,  
lifes a prison when you're in love for love for long.  
(oh girl I love you), need you to come back home,  
(you know i need you), I dont want to be alone

Please stay dont go... give me another chance i  
wanna be your man, girl you got me down here on  
my knees cryin, begging, pleading  
i' ll do anything for your love,
