Going nowhere fast
We've reached the climax
We're together, now we're undone
Won't commit so we choose to
Run away
Do we separate?
Don't wanna give in so we both gave up
Can't take it back, it's too late, we've reached the
climax
Climax
[Verse 1]
I've fallen somehow
Feet off the ground
Love is the cloud
That keeps raining down
Where are you now?
When I need you around
I'm on my knees, but it seems we're
[Hook]
Going nowhere fast
We've reached the climax
We're together, now we're undone
Won't commit so we choose to
Run away
Do we separate?
Don't wanna give in so we both gave up
Can't take it back, it's too late, we've reached the
climax
[Verse 2]
I gave my best, it wasn't enough
You get upset, we argue too much
We made a mess of what used to be love
So why do I care, I care at all
At all
At all
At all
[Hook]
Going nowhere fast
We've reached the climax
We're together, now we're undone
Won't commit so we choose to
Run away

Do we separate?
Don't wanna give in so we both gave up
Can't take it back, it's too late, we've reached the
climax
[Bridge]
You say it's better if we
Love each other separately
I just need you one more time
I can't get what we had out my mind
Where are you now
When I need you around
I'm on my knees
But it seems we're going
[Hook]
no where fast
We've reached the climax
We're together, now we're undone
Won't commit so we choose to
Run away
Do we separate?
Don't wanna give in so we both gave up
Can't take it back, it's too late, we've reached the
climax
