Hello?

Yo I'm in the booth, I'm gonna call you right back..

Na, I just gotta put this one part down I'm gonna call you back..

I'm at the studio man, what?

Man, quit playing with me, man.

No, for real don't play like that?

Are you, are you serious?

How you know?

Put that on everything.

I'ma call you back.

I'ma call you back.

Every time I was in L.A. I was with me ex-girlfriend.

Every time you called I told you ?Baby I'm workin?.

Nooo, I was out doing me dirt.

Ohhh, wasn't thinkin' about you getting hurt.

I was hand and hand in the Beverly Center like man,
not givin a thought as to who sees me.

Soo gone, soo wrong.

Actin' like I didn't have you sittin' at home.

Thinkin about me,

Being the good girl that you are,

But you probably believe you got a good man.

I man that would never do the things I'ma about to tell
you I've done.

Brace yourself, it ain't good.

And it would be the worst if you heard this from
somebody else..

I know you hate me.

I know I hurt you.

But there's more.

Listen?

Watch this

These are my confessions

Just when I thought I said all I can say

My chick on the side said she got one on the way

These are my confessions

Man I'm thrown and I don't know what to do

I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
I near cried when I got that phone call
I'm so thrown and I don't know what to do
But to give you part 2 of my confessions

Now this gon' be the hardest thing I think I ever had to do
Got me talkin' to myself askin' how I'm gon' tell you
'bout that chick on part 1 I told ya'll I was creepin' with,
creepin' with
Said she's 3 months pregnant and she's keepin' it
The first thing that came to mind was you
Second thing was how do I know if it's mine and is it true
Third thing was me wishin' that I never did what I did
How I ain't ready for no kid and bye bye to our relationship

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way

These are my confessions
Man I'm thrown and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
I near cried when I got that phone call
I'm so thrown and I don't know what to do
But to give you part 2 of my confessions

Sittin here stuck on stupid, tryna figure out
When, what, and how I'ma let this come out of my mouth
Said it ain't gon' be easy
But I need to stop thinkin', contemplatin'
Be a man and get it over with (over with)
I'm ridin' in my whip
Racin' to her place
Talkin' to myself
Preparin' to tell her to her face
She opened up the door and didn't want to come near me
I said "Why tell me, baby,
Please hear me"

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions
Man I'm thrown and I don't know what to do

I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
I near cried when I got that phone call
I'm so thrown and I don't know what to do
But to give you part 2 of my confessions

This by far is the hardest thing I think I've ever had to
do
To tell you, the woman I love
That I'm havin' a baby by a woman that I barely even
know
I hope you can accept the fact that I'm man enough to
tell you this
And hopefully you'll give me another chance
This ain't about my career
This ain't about my life
It's about us
Please

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions
Man I'm throwed and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
I near cried when I got that phone call
I'm so throwed and I don't know what to do
But to give you part 2 of my confessions
