Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

Every time I was in L.A. I was with my ex-girlfriend
Every time you called I told you, "Baby, I'm workin'"
No, I was out doin' my dirt, oh, wasn't thinkin' 'bout you
gettin' hurt
I was hand in hand in the Beverly Center like man
Not givin' a damn who sees me

So gone, I know, so wrong, just listen, actin' like I got it
And left you sittin' at home thinkin' about me, bein' a
good girl
That you are but you prolly believe you got a good man
I man that never would do the things I'm about to tell
you
I've done, brace yourself, it ain't good
But it would be even worse if you heard this from
somebody else

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know

that

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

If I could turn back the hands of time and start all over I
would
Instead of everything bein' all bad, baby everything will
be all good
I don't wanna lose you but I know what I'm telling you
Ant gon' make you wanna stay, probably just make you
run away

Or mad enough to punch me in my face
I've been livin' like an idiot and I deserve every bit of it,
I know
Today is the day that I end all the lyin' and the playin'
And the bullshit, girl I'm sorry, baby I'm sorry but I can
no longer
Walk around with this stress on my chest, I confess

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

Can you break it down?

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad

And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that

Every thing that I've been doin' is all bad
I got a chick on the side wit a crib and a ride
I've telling you so many lies, ain't none good, it's all
bad
And I just wanna confess 'cause it's been goin' on so
long
Girl, I been doin' you so wrong and I want you to know
that
