These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions

Man I'm throwed and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
Damn near cried when I got that phone call
I'm so throwed and I don't know what to do
But to give you part 2 of my confessions

Now this gon' be the hardest thing I think I ever had to do
Got me talkin' to myself askin' how I'm gon' tell you
'Bout that chick on part 1, I told ya'll I was creepin' with,
creepin' with
Said she's 3 months pregnant and she's keepin' it

The first thing that came to mind was you
Second thing was how do I know if it's mine and is it true
Third thing was me wishin' that I never did what I did
How I ain't ready for no kid and bye bye to our relationship

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions

Man I'm throwed and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
Damn near cried when I got that phone call
I'm so throwed and I don't know what to do
But to give you part 2 of my confessions

See when this stuff goes through be tryna figure out
When, what and how I'mma let this come out of my mouth

Said it ain't gon' be easy
But I need to stop thinkin', contemplatin'
Be a man and get it over with
(Over with)

I'm ridin' in my whip, racin' to her place
Talkin' to myself, preparin' to tell her to her face
She open up the door and didn't want to come near me
I said why tell me baby? Please hear me

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions

Man I'm throwed and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
Damn near cried when I got that phone call
I'm so throwed and I don't know what to do
But to give you part 2 of my confessions

This by far is the hardest thing I think I've ever had to do
To tell you, the woman I love
That I'm having a baby by a woman that I barely even know
I hope you can accept the fact that I'm man enough to tell you this
And hopefully you'll give me another chance
This ain't about my career, this ain't about my life, it's about us, please

These are my confessions
Just when I thought I said all I can say
My chick on the side said she got one on the way
These are my confessions

Man I'm throwed and I don't know what to do
I guess I gotta give you part 2 of my confessions
If I'm gonna tell it then I gotta tell it all
Damn near cried when I got that phone call
I'm so throwed and I don't know what to do
But to give you part 2 of my confessions
