Ahhhhh, ooooooo,
I think its time to cutter off
Cut cut cutter off
Cus she be confrontin me
Askin me where i wanna be
Its time to cutter off
Cut cut cutter off
She always grabbin me
Sayin "Look what you've done to me!"
I think its time to cutter cutter cutter cutter off
I think its time to cutter cutter cutter cutter off

Attitude has placed apart your past
And to me, i think thats real inside
You be actin so harsh and so mean
Insecurity and drama you wanna bring
Checkin my mail checkin my phone
Sayin you dont wanna be alone
My music is the way i live
Oh yeah! I love this life i live

I think its time to cutter off
Cut cut cut cutter off
Cus she be confrontin me
Askin me where i wanna be
Its time to cutter off,
Cut cut cutter off
She always grabbin me
Sayin "Look what you've done to me!"

I think its time to cutter cutter cutter cutter off
I think its time to cutter cutter cutter cutter off

Heeeeyyyy!!
Now this is not another woman hate song
Im talkin to you and you alone
Not tellin them cus you know her, no
But the way you re-acted jus wont go
The way you dont take time to let the scars heal
Its like i gotta bring edgy cars and thats fo reaaal
How can you do like guy folks hit in the past
A couple of promises and we just broke that

I think its time to cutter off
Cut cut cut cutter off
Cus she be confrontin me
Askin me where i wanna be
Its time to cutter off, cut cut cutter off
She always grabbin me
Sayin "Look what you've done to me!"
I think its time to cutter cutter cutter cutter off (rides
out)

I think its time to cutter cutter cutter cutter off x4

I think its time to cutter off, cut cut cutter off.....
