### "DJ Got Us Fallin' In Love"

(feat. Pitbull)

*[Usher]*

(yeah man)

So we back in the club

Get that bodies rockin from side to side (side to side)

Thank God the week is done

I feel like a zombie gone back to life (back to life)

Hands up, and suddenly we all got our hands up

No control of my body

Ain't I seen you before?

I think I remember those eyes, eyes, eyes, eyes

Cause baby tonight, the DJ got us falling in love again

Yeah, baby tonight, the DJ got us falling in love again

So dance, dance, like it's the last, last night of your life,  
life

Gonna get you right

Cause baby tonight, the DJ got us falling in love again

Keep downing drinks like there's no tomorrow there's  
just right now, now, now, now, now, now

Gonna set the roof on fire

Gonna burn this motherfucker down, down, down,  
down, down, down

Hands up, when the music drops

We both put our hands up

Put your hands on my body

Swear I seen you before

I think I remember those eyes, eyes, eyes, eyes

Cause baby tonight, the DJ got us falling in love again

Yeah, baby tonight, the DJ got us falling in love again

So dance, dance, like it's the last, last night of your life,  
life

Gonna get you right

Cause baby tonight, the DJ got us falling in love again

*[Pitbull]*
