Girl, the only thing that matters in my life
Is that I'm there for you and treat you right
You got no right to treat me cold as ice

Oh, oh, oh girl, as long as I been givin' my love to you
You should be givin' me your love too
Oh but you just keep on acting
Just like a fool, you know it ain't cool

Don't be cruel 'cause I would never be that cruel to you
Ah no, oh, oh oh, ah don't be cruel
'Cause girl you need to change your attitude
Ah no, oh, oh oh, don't be cruel

Man we used to hang out tough, just hanging around
Just a true love affair that could never be found
I gave you my heart and I gave you my mind
But a true love affair we could never find

I tell all the time that I want you Jackie
I want you more than human eyes could see
Now you know my name, now you know the game
You wanna be with me, you gotta be the same way
That another girl would be and if you wanna be with me

Girl, I work so hard for you from nine to five
So, that can buy you all the finer things in life
You got no right to treat me cold as ice
