bring it all together like contact
fold it up two times then creep back
killin them with a flow so cold
just watchin em go and i'm like yeee yeeee

now i aint never givin up the green light
i'm the best and the rest of em just hype
gotta keep it real 100 if you wanna cause you can't be
runnin from a great beat
i know you really got crow feet
gotta keep it up, keep joggin the track meet
i keep the crowd so crunk
off the rip before i jump they be callin it a clean sweep

(yeah)

i been had it and i wont stop
just to get up step a carter top notch
if i do it like this man i aint gonna miss.
