Baby, listen to me
When I tell you
That I ain't
The perfect man
Can't keep listening
To the whispering
That's coming
From your friends

I recognize
That my pass is bad
But let's get
Pass the past
When anybody
That's hating
Can get the skating
With no hesitation no, no
Tell 'em just get gone
They can never keep a man
So they
Wouldn't understand
That's why they alone

Baby, let it go
I'm just letting you know
They never see it
For themselves
But they always wanna help
That's why they just echo

Baby, when you listen
To them haters and liars
And What your friends say
Everything
That they speaking
They just repeating
And they echo, echo, echo
They hear them rumours
And they echo, echo
But they don't know
What they be
Talking about

Saying I been cheating
Somebody saw me
Creeping on the weekend
Oh, oh, no
Did my confessions, baby
A long time ago
But they echo, echo, echo
They hear them rumours
And they echo, echo, echo
Don't listen to 'em
Cause they echo

I don't care
What they talking about
We can work it out
(No problem)
Anything that you
Ever wanted it
(Who got it)
Everything you
Ever need it
(I found it)
Don't wanna them
Trying new problems
Mama just let it go
Cause they don't know
About this yeah

I understand
That your girlfriends talk
But all they do is talk
As of matter of fact
I remember back
When I met Tiffany
At the mall
She hollering
I never call
Now I know I know
That she'll partner up
But she want me so
She had to go
Oh, oh, oh, oh

Baby when you listen
To them haters and liars
And what your friends say
Everything
That they speaking
They just repeating
And they echo, echo, echo

They hear them rumours
And they echo, echo
But they don't know
What they be
Talking about

Saying I been cheating
Somebody saw me
Creeping on the weekend
Oh, oh, no
Did my confessions, baby
A long time ago
But they echo, echo, echo
They hear them rumours
And they echo, echo, echo
Don't listen to 'em
Cause they echo

Your girlfriend's loving
The way I do what I do
I met her long ago
And she's mad cause now
I'm wit you
But they ain't no use
In listening
Cause, baby
It ain't the truth

Tell her
She should let it go
Cause they gon'
Need rumours
And they echo, echo
Oh, oh, oh
Don't listen to us
Echo
Oh, oh, oh
Hey, you know
It's foolish
When they echo, echo
Pretty girl
You need to know
She's feeding you
All them lies
And it really
Ain't no surprise

Baby when you listen
To them haters and liars
And what your friends say
Everything

That they speaking
They just repeating
And they echo, echo, echo
They hear them rumours
And they echo, echo
But they don't know
What they be
Talking about

Saying I been cheating
Somebody saw me creeping
On the weekend
Oh, oh, no
Did my confessions, baby
A long time ago
But they echo, echo, echo
They hear them rumours
And they echo, echo, echo
Don't listen to em
Cause they echo
