Future needs a big kiss
Winds blow with a twist
Never seen a move like this
Can you see it too
Night is falling everywhere
Rockets hit the funfair
Satan loves a bomb scare
But it won't scare you

Chorus
Yeah sexy boots
Get on your boots yeah

Free me from the dark dream
Candy bars, ice cream
All the kids are screaming but the ghosts aren't real
Here's what you gotta be
Love and community
Laughter is eternity if the joy is real

You don't know how beautiful (2x)
You are
You don't know
You get it do you
You don't know
How beautiful you are

If someone's into blowing up
We're into growing up
Women are the future
All the big revelations
I've gotta submarine, you've got gasoline
I don't wanna talk about wars between nations

Not right now

Sexy boots yeah (no no no)

Get on your boots yeah (Not right now)
Foxy boots

You don't know how beautiful (2x)

You are
You don't know
You get it do you
You don't know
How beautiful you are

Sexy boots
I don't wanna talk about wars between nations

Let me in the sound (3x)
Sound
Let me in the sound sound
Let me in the sound
My God I'm going down
I don't wanna drown now
Let me in the sound

Let me in the sound (3x)
Sound
Let me in the sound sound
Let me in the sound

Get on your boots
Get on your boots
Get on your boots
Yea yeaah
Get on your boots
Get on your boots
Get on your boots
