Do I remind you of the pain
That he put you through, girl?
Is that the reason I'm to blame?
Before I do it, is it because he treated you badly?
I always stand accused, Mmmm
Protecting yourself from somebody else
I'm not who's hurting you!

Girl and it's killing me girl knowing you compare me to
him!
Always guilty before the sin
I can't win, I can't win NO!
I'll do anything to prove I love you
Baby girl but I refuse to pay for something I didn't do?
I love you girl!
But I refuse to stay paying for his mistakes.

Yeah Oh Yeah Yeah

He left a scar across your heart
I understand girl
Don't let his wrongs,
Tear us apart, No
Girl I'm your man!
Just because he did you swear I'm cheating?
You think I just don't care?
Why must I do time
For another man's crime?
Girl you know that ain't fair No No

And it's killing me girl knowing you compare me to him!
Always guilty before the sin
I can't win, No I can't win!
I'll do anything to prove I love you
Baby girl but I refuse to pay for something I didn't do?
I love you girl!
But I refuse to stay...
Paying for his mistakes.

I know he did you wrong
But tell me what does that have to do with me?
Trying to show you something real!

Figure out what is going on
Before you look up and I'll be gone

Yey....Ohh Ohh Mmmm Mmmm Mmmm Mmmmm
Mmmm No No Heyeyyy Heyiyeh OH

I'll do anything to prove I love you
Baby girl but I refuse
To pay for something I didn't do
Girl, I love you and I love you I love you
I'll do anything to prove I love you Baby girl
But I refuse to pay for something I didn't do No
I love you Girl
But I refuse to stay paying for his mistakes
