i just count the minutes, soon he will be home
to give the love i've waited for all day long
love his all his tenderness, love his all his sweet caress
keeps me warm when nights are cold, melts me to my
very soul.

(chorus 1)

all my friends keep asking about this love i found, and i
tell them he's the one that makes my world spin
around, i'll never ever let him go, oh no

(chorus 2)

so if you want to know who's loving me tonight, its my
baby, and he's loving me right
and if you want to know who lightens up my life, its my
baby and my love for him lives forever in my life.

there use to be a time i lived without love cuz' of all the
hurt and pain the path was made up
afraid to fall in love again, i often run away, i went to a
place that knew that i can hide and made me feel safe

(chorus 1 & 2)
