I can't let nothing  
Come in between  
The two of us  
Cause it's like  
You're all I need  
Since we been together  
And whenever  
I'm in need  
Of a little love  
It's okay for me  
To open up  
But I just  
Can't give me  
Heart to anyone

Cause  
Some only call it  
A life for a season  
And stay a while  
To give you a reason  
To put  
In your every thing  
And to think  
That it's forever  
But you've given me  
Someone  
That I can believe in  
I know  
There will be times  
We can't come  
To an agreement  
But I know  
That we'll figure out  
The ups and down  
Tell me are  
You willing  
To take a chance?  
Baby if so

[Chorus:]  
Here we go  
Here we go

Let me put you  
In my hand  
Come on  
Come on  
I wanna be your man  
Let's do it right  
So that you'll be  
With me a lifetime  
You know and I know  
That I ain't  
Talking crazy  
Come on your mama  
And my mama  
Want some grand babies  
So won't you be  
With me a lifetime

I used to think  
That it was hopeless  
And that I should  
Just give it up  
Give it up  
But I couldn't stop  
Until I found myself  
A good girl  
To be in love  
With I checked  
Every state  
And city  
And looked  
All around the world  
And I'm proud to say  
That my search ends here  
Cause you're one  
In a million to me  
And I can't let you go

Some only call it  
A life for a season  
And stay around  
To give you a reason  
And to put in  
Your every thing  
To think it's forever  
But you've given me  
Someone  
That I can believe it  
I know  
There will be times  
We can't come  
To an agreement

But I know  
That we'll figure out  
The ups and downs  
Tell me are you willing  
To take a chance?  
Baby if so

[Chorus:]  
Here we go  
Here we go  
Let me put you  
In my hand  
Come on  
Come on  
I wanna be your man  
Let's do it right  
So that you'll be  
With me a lifetime  
You know and I know  
That I ain't  
Talking crazy  
Come on your mama  
And my mama  
Want some grand babies  
So won't you be  
With me a lifetime

(Spoken):  
Listen  
Season are truly  
Meant to chance  
However  
Love can be  
The reason you fall  
And when you find  
That special someone [?]  
You'd be willing  
To give them  
A lifetime  
I love you  
And I choose you  
Follow me

Some only call it  
A life for a season  
And stay around  
To give you a reason  
And to put in  
Your every thing  
To think it's forever  
But you've given me

Someone  
That I can believe in  
I know  
There will be times  
We can't come  
To an agreement  
But I know  
That we'll figure out  
The ups and downs  
Tell me are you willing  
To take a chance?  
Baby if so

[Chorus:]  
Here we go  
Here we go  
Let me put you  
In my hand  
Come on  
Come on  
I wanna be your man  
Let's do it right  
So that you'll be  
With me a lifetime  
You know and I know  
That I ain't  
Talking crazy  
Come on your mama  
And my mama  
Want some grand babies  
So won't you be  
With me a lifetime
