Gotta do it for the ladies
And I gotta keep it hood
Where we at Polo (Ay)
I see you Ryan
... you was right
But we just gettin started

You see you searching for somebody
That'll take you out and do you right
Well come here baby and let daddy show you what it
feel like
You know all you gotta do is tell me what you sippin' on
And I promise that I'm gonna keep it comin' all night
long

Lookin' in your eyes while you walk the other side
And I think that shorty I've got a thing for you
Doin' it on purpose winding and workin' it
I can tell by the way you lookin' at me girl

I wanna make love in this club
(make love in this club, in this club, in this club)
I wanna make love in this club
(in this club, in this club, in this club)

You got some friends rollin' wit you baby then that's
cool
You can leave them with my niggas let em know that I
got you
If you didn't know, you're the only thing that's on my
mind
Cuz the way I'm staring miss you got me wantin to give
it to you all night

Lookin' in your eyes while you walk the other side
I can't take it no more
Baby I'm coming for you
You keep doin' it on purpose winding and working it
If we close our eyes it could be just me and you

I wanna make love (in this club in this club, in this club)

I wanna make love (in this club in this club, in this club)
I wanna make love (in this club, in this club, in this club)
I wanna make love in this club (in this club, in this club)

I'm what you want, I'm what you need
He got you trapped, I'll set you free
Sexually, mentally, physically, emotionally
I'll be like your medicine, you'll take every dose of me
It's going down on aisle 3, I'll bag you like some
groceries
And every time you think about it you gon' want some
more of me
About to hit the club, make a movie yeah rated R
Pulled up like a trap star,
That's if you have yo regular car
You wanna make love to a thug in the club with his Sice
on
87 jeans and a fresh pair of Nikes on
On the couch, on the table, on the bar, or on the floor
You can meet me in the bathroom yeah you know I'm
trying go

Tonight it's ...
If we keep touching like this
I know you scared
They don't know what we doin
...
Keep it up girl I swear
I'ma give it to you none stop
And I don't care who's watchin
