Yea (yea, yea)

(Usher)
This it right here
I'm the King ya'll know that
She the queen, came right back
(Yea)
Oh Remix

(Usher)
Now baby girl there ain't no more
That I can say
You know by now I want it more than anythang
If I walk away and just let you leave
You'll be stuck in my head like a melody

(Beyonce)
I know you want it
But I'm hesitating
You must be crazy
I got a man
You got a lady

(Usher)
I know we here together
So this must be something special
You can be anywhere you wanted
But you decided to be here wit me
No coincidence it was meant to be
Don't be shy gon let yo boy get in
So you can tell all yo friends you was on the remix like

(Chorus)
In this club
In this club
Ladies can I put this love up on you one time
If you ain't scared say what's up
In this club
In this club
They can keep watchin
I ain't stoppin

Baby I don't give up

In this club

In this club

Ladies can I put this love up on you one time

If you ain't scared say what's up

In this club

In this club

They can keep watchin

Baby I don't give up

In this club

(Beyonce)

Baby you know I'd be down

But we can't have all these people staring standing
around

This right here is only for your eyes to see

But you gettin carried away

Saying we can do it where ever

The way you touchin me like no other

(I'm gon make you feel insane)

Tryin your hardest to make me give in

But I'ma be down to give you what you wanting if you
keep it up

I strongly doubt this velvet rope will hold me up

And I don't want security rollin up on us

I'm not hesitating I just don't wanna rush

You can be anywhere you wanna

But you decided to be here wit me

No coincidence it was meant to be

I'd mess it if I mess around if I let you get in

You gon tell all yo friends you was on this remix

(Chorus)

In this club

In this club

Fellas can I put this love in you one time

If you ain't scared say what's up

In this club

In this club

They can keep watchin

I'm stopping

I don't give up

In this club

In this club

In this club

Ladies can I put this love up on you one time

If you ain't scared say what's up

In this club

In this club

They can keep watchin
Baby I don't give up
In this club

(Lil Wayne)

UhUh
Shawty want a thug
It started wit a hug
And the rest went like this
I gave her neck a kiss, a kiss
She gave my neck a kiss back
I said we can do it like a stack
I'm mean we can do it like a G
On the couch in VIP
Shawty we can get it on
I'm like shoutout to the DJ for playin this song
Girl we can act like two damn fools
Have everybody thinkin we doin they dance move
Call me so I can make it juicy for you
Meet in the bathroom and you can be my secret lover
(Girl)
And it started wit a hug
But now we making love in this club
And we ain't gonna stop just because
The people in the crowd are watching us
Cuz we don't give a damn what they say
This is the- the remix baby

(Usher)

Come a little closer
Let daddy put it on ya
Need you to know what happens here stays here

(Beyonce)

I'm ready and willing
Almost good to go
Got you standing at attention
Keep it on the low

(Usher)

Ain't nobody watching
Don't worry they can't see us
I know I got you hot
Now let me in

(Beyonce)

You in the club or the car
Where ever you are
Run and tell the DJ run it back on replay
(Chorus)
