I'm the king, ya'll know that
She the queen, came right back
Yea, yea
Oh remix!

Now baby girl there ain't nothin' more
that I can say
You know by now I want it more than anything
If I walk away and just let you leave
You'll be stuck in my head like a melody

I know you want it, yea
I'm hesitating, why?
You must be crazy
I got a man, you got a lady

I know we here together
So this must be something special
'Cause, you could be anywhere you wanna

But you decided to be here with me
No coincidence it was meant to be
Don't be shy, gon' let ya boy get in
So you can tell all of your friends you was on the remix
like

In this club
In this club
Ladies can I put this love up on you
One time if you ain't scared, say wussup

In this club
In this club
They can keep watchin', I'm not
stoppin'
Baby I don't give up

In this club
In this club
Ladies can I put this love up on you
One time if you ain't scared, say wussup

In this club
In this club
They can keep watchin' , baby I don't

In this club

Baby you know I'd be down
But we can't have all these people staring
standin' around
This right here is only for your eyes to see
But you getting carried away
Saying we can do it wherever

The way you touching me, hey
Like no other
I'mma make you feel insane
Your trying your hardest to make me give in
But I'mma be down to give you what you
wantin' if you keep it up

I strongly doubt this velvet rope would hold me up
And I don't want security rollin' up on us, I got
ya
I'm not hesitating, I just don't wanna
rush
You could be anywhere you wanna

But you decided to be here with me
No coincidence it was meant to be
A mess if I mess around and let you get in

Shawty want a thug, it started with a hug
And the rest went like this
I gave her neck a kissy kiss
She gave my neck a kiss back
I said we could do it like a stack
I mean we could do it like a G

On the couch in V.I.P.
Shawty we can get it on
I'm like shout out to the D.J.
For playin' this song

Girl, we could act like two damn fools
Have everybody think we doin' a dance move
Call me, so I can make it juicy for ya
Meet me in the bathroom and you could be my secret
lover girl

And it started with a hug
But now we makin' love in this club
And we not gonna stop just because
The people in the crowd are watching us

Cause we don't give a damn what they say, this
is
Th-the remix baby

Come a little closer let daddy put it on ya
Need you to know, what happens here stays here

And I'm, ready and willing
Mamas got to go
But you're standing at attention
Keep it on the low

Ain't nobody watching
Don't worry they can't see us
I know I got you hot, now let me in

You in the club or the car
Wherever you are
Run and tell the D.J.
Run it back on replay
