Can't even look her in the face  
Too busy staring at her waist line (waist line)  
And I ain't too proud to chase  
Knowing the chances are she'll take mine  
Behind the smile and the laughter  
There's danger, I know (I know)  
I know I'll end up her capture,  
Caught in the rapture  
But I won't let go

Oh, why, my amor?  
What you doing take my heart for?  
Why, my amor?  
You took it knowing that it's not yours  
Why, my amor?  
You turn me from the door, whoa  
So tell me why, mi amor?  
You're so easy to adore?  
Left my heart on the floor,  
Oh, oh, oh, oh  
What you doing take my heart for?  
Why, my amor?  
You took my heard on the floor

Behind the smile and the laughter  
There's danger, I know, ha  
I know I'll end up her capture  
Caught in the rapture  
But I won't let go

Oh, why, my amor?  
What you doing take my heart for?  
Why, my amor?  
You took it knowing that it's not yours  
Why, my amor?  
You turn me from the door, whoa  
So tell me why, mi amor?  
You're so easy to adore?  
Left my heart on the floor,  
Oh, oh, oh, oh  
What you doing take my heart for?

Why, my amor?  
You took my heard on the floor X 2
