There's always that one person that will always have
your heart
You'll never see it coming 'cause you're blinded from
the start
Know that you're that one for me, it's clear for everyone
to see
Ooh, baby, aw, you'll always be my boo

See, I don't know about y'all but I know about us and uh
It's the only way we know how to rock
I don't know about y'all but I know about us and uh
It's the only way we know how to rock

Do you remember, girl
I was the one who gave you your first kiss
'Cause I remember, girl
I was the one who said put your lips like this
Even before all the fame and people screamin' your
name
Girl, I was there and you were my baby

It started when we were younger you were mine
(My boo)
Now another brother's taken over but it's still in your
eyes
(My boo)
Even though we use to argue, it's all right
(My boo)
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you, when we were younger you were
mine
(My boo)
When I see you from time to time I still feel like
(My boo)
You can see it no matter how I try to hide
(My boo)
And even though there's another man who's in my life
You will always be my boo

Yes, I remember, boy, 'cause after we kissed

I can only think about your lips
Yes, I remember, boy, the moment I knew
You were the one I could spend my life with
Even before all the fame and people screamin' your
name
I was there and you were my baby

It started when we were younger you were mine
(My boo)
Now another brother's taken over but it's still in your
eyes
(My boo)
Even though we use to argue, it's all right
(My boo)
I know we haven't seen each other in a while
But you will always be my boo

I was in love with you when we were younger you were
mine
(My boo)
When I see you from time to time I still feel like
(My boo)
You can see it no matter how I try to hide
(My boo)
And even though there's another man who's in my life
(What we have is in each other)
You will always be my boo

My, oh my, oh my, oh my, oh my, my boo
My, oh my, oh my, oh my, oh my, oh my boo

It started when we were younger you were mine
(My boo)
Now another brother's taken over but it's still in your
eyes
(My boo)
Even though we use to argue, it's all right
(My boo)
I know we haven't seen each other in a while
But you will always be my boo
(Uh uh)

I don't know about y'all but I know about us and uh
It's the only way we know how to rock
I don't know about y'all but I know about us and uh
It's the only way we know how to rock
