[Usher]:

There's always that one person
That will always have your heart
You never see it coming
'cause you're blinded from the start
Know that you're that one for me
It's clear for everyone to see
Ooh baby uh
You will always be my boo

[Nelly]:

I don't know bout ya'll
But I know about us
And uh it's the only way we know how to rock ya'll
I don't know bout ya'll
But I know about us
And uh it's the only way we know how to rock ya'll

You've been mine since you've checked the "Yes" box
And we at six flags matchin down to the Guess socks
Girl, me and you we just sittin in the tree we be
k.i.s.s.i.n.g

[Usher]:

Do you remember girl
Who was the one who gave you your first kiss
'cause I remember girl
Who was the one who said put your lips like this
Even before all the fame and people
Screamin your name
Girl I was there and you were my baby

It started when we were younger you were mine
My boo
Now another brother's taking over but its still in your
eyes
My boo
Even though we use to argue it's alright (It's alright girl
that's okay)
My boo
I know we haven't seen each other in a while
But you will always be my boo

Do you remember gurl
When we was young, I was the first one you laid with
Don't you remember girl
You were the one that I said I'd grow old with
Yeahh

[Nelly]:

Yeah he can try, but he can do it like daddy did it
all night focus he can't hit it like i usta hit it
I know we play mama but what i'm sayin mama
I know we argue fuss and fight I feel the same Ma
No one to blame ma that's just the way of life
I thought about you all the time I'm talkin day and night

[Usher]:

'fore the fame you know I was there
and You were my baby

It started when we were younger you were mine
My boo
Now another brother's taking over but its still in your
eyes
My boo
Even though we use to argue it's alright
My boo
I know we haven't seen each other in a while
But you will always be my boo

It started when we were younger you were mine
My boo
Now another brother's taking over but its still in your
eyes
My boo
Even though we use to argue it's alright (it's alright now
Its okay)
My boo
I know we haven't seen each other in a while
But you will always be my boo

[Usher & Nelly]:

My oh, My oh, My oh, My oh, My Boo
My oh, My oh, My oh, My oh, My Boo

Hey It started when we were younger you were mine
My boo
Now another brother's taking over but its still in your

But you will always be my boo

[Nelly]:
