

## Usher "My Love"

Visit "[My Love](#)" on MotoLyrics.com

I noticed lately, you ain't the same and  
I apologize for all the times I made you cry  
Your emotions gone crazy, confusing me, lady  
When I

I know you're worth what you deserve  
For me to put you first, girl, I'll do better  
It's us against them and I don't want 'em to win  
Baby, I'm gonna change

Baby, I'll never let you substitute my love  
(Baby, no, I'll never letchu go, no)  
'Cause I know that you been in and out  
All i know is this one thing, babe

He can never beat me, no  
And I won't let him, can't let him  
Changing my plans 'cause he'll never understand  
Baby, I'll never let you substitute my love

Ain't sleeping lately, girl, is there someone else?  
You don't wanna spend time with me, you wanna be by  
yourself  
You're feeling so worthless, you're making me nervous  
Can you get over this?

I know you're worth what you deserve  
For me to put you first, girl, I'll do better  
It's us against them and I don't want 'em to win  
Baby, I'm gonna change

Baby, I'll never let you substitute my love  
(Baby, no, I'll never letchu go, no)  
'Cause I know that you been in and out  
All I know is this one thing, babe

He can never beat me, no  
And I won't let him, can't let him  
Changing my plans 'cause he'll never understand  
Baby, I'll never let you substitute my love

I can't stand, watch you throw your life away

Let's work through this together  
When there's love, there's a way  
Ohh, ohh, baby, I

Baby, I'll neva let you substitute my love  
(For another fella, baby, I can't let you do it)  
'Cause I know that you been in and out  
All I know is this one thing, babe

He can neva beat me, no  
And I won't let him, can't let him  
Change my plans  
Baby, I'll neva let you substitute my love

My love  
My love  
My love
