Baby... Look what ya doin, you got every man you pass by trying to holler at you. Baby... You ain't even choosin and that's just what I like about you, your interesting, I want to be your next contestant. So ima tell you want you want to hear, cuz I know it takes much more, than what's your sign or damn you're fine or look like you havin a good time baby. I'm not going to let you leave me standing here, wondering... what it would have been like if I'da said, it aint a thang but first I gotta know your name, she said I gotta play the game.

Chorus: If I want to be the next contestant, she can point me in the right direction. Now she got me so interested. Guess I gotta play the game. If I want to be the next contestant, ooh baby ima come on down.

Baby... You're a star tonight cuz you got a smile that's so incredible, plus you doin everything I like. And lady, you know I'm your type, I should be the one next to ... ooh I want you, know you see it girl so don't fight it, no. So Ima tell you what you wanna hear, girl I know it take more, than... what's your sign or damn you're fine or look like you havin a good time baby. I'm not going to let you leave me standing here, wondering... what it would have been like if I'da said, it aint a thang but first I gotta know your name, she said I gotta play the game.

Chorus: If I want to be the next contestant, she can point me in the right direction. She got me so interested. Guess I gotta play the game. If I want to be the next contestant, ooh baby Ima come on down.

Its my turn at the wheel to spin and I know you lookin at me wondering what's my bid baby, I was thinking we could chop it up and later on we can run away.. So interested, who will she pick.. I gotta be the one to win.. But in order to get her name and let the info exchange, she said I gotta play the game.

Chorus: If I want to be the next contestant, she can point me in the right direction. She got me so

interested. Guess I gotta play the game. If I want to be
the next contestant, ooh baby Ima come on down.
